RAINWEAR AND SAFETY BOOTS

Wear Style with Safety!

hillsonshoes.com

OUR STORY

Hillson started from a small unit with the vision to stand out and fulfill the demands of the consumers. Being one of the largest manufacturers of safety shoes in India, Hillson caters to a broad spectrum of industries. With the team of highly skilled professionals, they aim to provide quality products that are tested and certified by reputed laboratories. The objective is to add value to the customers' life with products that Hillson manufactures. It's not just a company anymore; it's a family who has been together through thick and thin.

WE ARE READY TO FLY!

OUR GREEN FACTORY

With a keen eye on technological advancements, Hillson continuously upgrades its infrastructure to offer a best-in-class product range. Our manufacturing capacity has steadily expanded over four decades, reaching an impressive 25,000 pairs per day. Looking to the future, we are committed to further increasing our capacity while maintaining customer satisfaction at the heart of our business by producing one million pairs per month at the green factory.
